

and they settled in Southold in the 1640's. At the young age of 18 he enlisted in the Army Air Corps and received his wings in 1943, becoming one of the youngest pilots in the Air Corps. After serving as a flight instructor until the end of WWII, he attended the Long Island Agricultural and Technical Institute where he achieved the highest academic average in his class. In 1947 he married his childhood sweetheart, Violet Albright and they now have two sons and six grandchildren.

Over the years Roy has been dedicated to serving the community in both church and civic activities. As a member of the United Methodist Church of Southampton he has served as lay leader, as a member of the board of trustees, as chairman of the administrative council, and as chairman of the building committee. In the community Roy has served as vice commander of the American Legion in Southampton, member of the board of trustees of the Rogers Memorial Library in Southampton, member of the board of trustees of Southampton Hospital, treasurer of Southampton Historical Society, disaster chairman for the local Red Cross, chairman of Troop 58, Boy Scouts of America, and as a member of the Southampton Fire Department for over 43 years.

It was while he was serving in the Southampton Fire Department that we truly learned of Roy's dedication to his job, fellow citizens, and Nation. On March 30, 1974, the Southampton Fire Department was called to the home of Mr. and Mrs. Ruggieri whose house was on fire. The Ruggieri's home was engulfed in flames and they were trapped in their upstairs bedroom. Mrs. Ruggieri was 4 months pregnant at the time with their daughter, Kate. Ignoring the raging inferno that was the Ruggieri's home, Roy, alone, climbed up a ladder and led Mr. and Mrs. Ruggieri to safety. While descending the ladder, the heat of the fire caused the bay window from the living room below to explode. Mrs. Ruggieri said, "I will always be grateful to Roy Wines for saving three lives." I am enclosing her letter to the Southampton Fire Department for the RECORD.

Unfortunately, Roy has been dealing with some serious health problems and I wanted to take this opportunity to share the love and affection of our whole community for Roy with this House. Even with that added burden, Roy is still very much involved in many church and civic related activities. With so few heroes in today's world, I am honored to know Roy and I join Roy's family, friends, and the Nation in expressing our deep-felt gratitude for his honorable and heroic efforts.

SEPTEMBER 18, 1995.

DEAR MEMBERS OF THE SOUTHAMPTON FIRE DEPARTMENT: I am delighted to finally have the opportunity to acknowledge and thank Mr. Roy Wines for his selfless act of courage in the rescue he participated in as a fireman to save my husband and myself from a house fire in March 1974.

The fire occurred at a house we were renting on Meadow Lane in Southampton. The owner was planning a renovation of the kitchen and we agreed to go out and prepare for the contractors. Due to a severe snow storm, it took us almost eight hours to reach Southampton, and we did not arrive until almost midnight.

I remember being awakened around one a.m. to the sounds of crashing in the living room below. Because I was then four months pregnant with my daughter, Kate, I did not sleep well and so fortunately awoke to hear

the noise. I woke my husband and he called the police, for we both thought the house was being burglarized. We barricaded the bedroom door and waited for the police to arrive. Within minutes, smoke started to come under the door, and when we tried to escape, we were forced back by a huge wall of fire that was racing up the staircase from the first floor.

We called the fire department and waited, not knowing what to expect next and not even sure we could or would be rescued. We tried several times to break out windows, but to no avail. The worst moment came when all the power in the house went out and we were in complete darkness, without flashlights or matches.

I will never forget the incredible sense of relief upon hearing and seeing the Southampton Fire Department trucks pull into our driveway.

The details of our rescue have faded with time, but I think you should know that it was Roy Wines, who alone, came up a ladder and led us both to safety. It took great courage at a time when the fire had reached such a stage that the bay window from the living room below exploded as we descended the ladder.

I know that many volunteer firemen and police officers helped in the rescue efforts that night, but I will always be grateful to Roy Wines for saving three lives on March 30, 1974.

Thank you and God bless.

A PRAYER FOR RICHARD ANDREW BAUTISTA

HON. ESTEBAN EDWARD TORRES

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 29, 1995

Mr. TORRES. Mr. Speaker, I rise today to express my heartfelt sympathy to the Bautista family. Friday, September 22, 1995, 12-year-old Richard Andrew Bautista was shot once in the head as he was returning on the freeway from a Los Angeles Dodgers' game.

The young Bautista, a soccer player, an altar boy and a friend to many at Whittier St. Gregory the Great School, was, without provocation, the victim of more senseless violence. Only 5 days earlier in Los Angeles, gang members fatally shot 3-year-old Stephanie Kuhen.

While the greater Los Angeles community quickly responded to help the Kuhen and Bautista families, nothing can bring little Stephanie back to life and nothing can restore the peace that Richard knew when he was at the baseball game. I am torn inside—the father of 5 children and grandfather of 10—for I cannot sufficiently express my grief and convey to the families my sorrow.

I was touched by Richard's fellow students who are raising money to buy a soccer ball and present it with all their signatures. In our small way, as a community, they are saying and we should say we are here for you.

Mr. Speaker, I ask my colleagues assembled to pray with me for Richard's speedy recovery. Our collective spirit of love is with the Bautista and Kuhen family.

NII COPYRIGHT PROTECTION ACT OF 1995

HON. CARLOS J. MOORHEAD

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 29, 1995

Mr. MOORHEAD. Mr. Speaker, today I am proud to introduce, along with Representative PATRICIA SCHROEDER, the ranking Democratic member on the Subcommittee on Courts and Intellectual Property, and Representative HOWARD COBLE, one of our most senior and valued Members, the NII Copyright Protection Act of 1995.

This bill is the product of recommendations made by the Working Group on Intellectual Property Rights, led by the Honorable BRUCE A. LEHMAN, the Commissioner of Patents and Trademarks, of the administration's information infrastructure task force. After intense study and several hearings, this bill reflects the collective input of the administration, the Congress and the private sector on protecting intellectual property on the Internet.

It is a new age in the world of copyright. Digitization now allows us to send and retrieve perfect copies of copyrighted information over the National and Global Information Infrastructures [NII] and [GII]. With these evolutions in technology, the copyright law must change as well to protect one of our Nation's most valuable resources and exports, the products of our authors. Whether it be movie, video, compact discs, software programs or books, the NII and GII will change the landscape as to how these products are delivered to the marketplace. In order for the Internet to be a success, it must carry desired content. Copyright owners will not make their works available in the digital environment, however, until such material can be effectively protected, since computerized networks now make unauthorized reproduction, adaptation, distribution, and other uses of works so easy.

This bill is a starting point. While it does not address all of the issues that need to be considered on protecting intellectual property on the NII and GII, including provisions regarding special uses by libraries, it represents generally the steps which we must undertake in protecting access to creative works.

I look forward to working with our subcommittee and the entire Congress in carefully examining the state of copyright law, and to making necessary changes so that the benefits of the electronic age can truly materialize.
